

## MICHELLE FLOUCH CUP RESULTS

The Michelle Flouch Cup is awarded to the winning side when Doncaster and MCC Hockey women's top division teams meet for the first time each season.

The Cup is named in honour of Michelle 'Flouchy' Flouch, who was an Exceptional Goalkeeper, Inspirational Coach, Mentor, Manager and passionate Teammate. Flouchy was an unstoppable force both on and off the field who contributed on many levels across the hockey community. Michelle lost her battle with cancer in May 2020.

Michelle Flouch began her playing career at Doncaster Hockey Club as a junior, which culminated in playing 6 years as the clubs Womens top grade Goal Keeper. Michelle was integral in helping Doncaster win their first ever Womens League One Premiership in 1988, where the match against Camberwell was decided on penalty strokes. Michelle saved four of the four strokes she faced. The Club went on to become back-to-back premiers in 1989.

Michelle moved to MCC for the 1991 season and her impact upon MCC Hockey was immediate both on and off the field. Perhaps her most outstanding performance (earning her Player of the Match honours) was in the 1993 WSL1 Grand Final against Waverley, which went to extra time and ultimately strokes. Flouchy saved three, with one going wide and only one converted.

The first cup was played for at 3.30pm Saturday 31st July 2021 at Doncaster.

### WOMEN'S PREMIER LEAGUE

YEAR	WON BY	SCORE
2021	Draw	4-4
2022	Doncaster	2-0
