

FILLY AWARD

Andrea "Filly" Snow Award

Andrea "Filly" Snow Award recognises and encourages very talented young players playing senior women's' hockey at Doncaster Hockey Club. The winner must: be under the age of 20 (as at January 1st the year of the award); not have been suspended during the season; have played a minimum of 12 senior club games; and represent the Doncaster Hockey Club in a positive light at all times. The award is normally not given to the same player twice. The Filly Award has been aptly named in recognition of Andrea 'Filly' Snow for her long-term commitment to the club as a player, coach, administrator and Life member. She has encouraged, mentored and inspired many junior and senior players.
